Description:

Need help making sense of the Inpatient Prospective Payment Systems (IPPS) FY2018 updates? Let us break down the changes and explain the "Six W's"; who, what, where, when, why, and how the changes may affect you. This event will cover:

- Review of the new, revised and deleted codes for ICD-10-CM and the rationale behind the changes,
- Review of the changes made to the ICD-10-PCS tables with new and revised root operations and body parts,
- Understanding of the changes made to the guidelines for ICD-10-CM/PCS,
- Overview of the revisions made to the MS-DRG and reimbursement for FY2018,
- Overview of the upcoming changes to IPPS, including Value-Based Purchasing, Hospital-Acquired Conditions, and Patient Safety Indicator reporting,
- Question and Answer session.

Sponsored through the webinar partnership with Greater Orange County Health Information Association (GOCHIA) and the California Health Information Association (CHIA), AHIMA affiliate, providing educational programs for over 65 years.
