Description:

2017 was a significant year for health care compliance. Are you ready.

Attendees will review and receive answers to timely inquiries:

- 2017-2018 compliance updates – what changed?
- OIG Work Plan moves to monthly updates – why?
- The moving target of UCR – what is fair?
- Top fraud cases of 2017 – what went wrong?
- Why Comply? Who is at risk?
- Goal setting for HIM and Compliance – a Winning Combination!

Sponsored through the webinar partnership with Greater Orange County Health Information Association (GOCHIA) and the California Health Information Association (CHIA), AHIMA affiliate, providing educational programs for over 65 years.
