### Program Description

Coding inaccuracies can adversely affect patient care, data quality and have adverse financial impact. This session will look at common ICD-10 coding errors, explore why they occur and look at ways to prevent them through improved clinical documentation and better understanding of the underlying coding guidelines. Bring your coding questions for discussion at the Coding Round Table part of the session.

### Speaker

Monica Leisch, RHIA, CDIP, CCS  
AHIMA-Approved ICD-10-CM/PCS Trainer  
Director Compliance/HIM Services
