

### President-elect - Keith Hass, RHIA

I am currently working in a contract position at Illumina as a Data Analyst and just before that contracted as a Business Analyst for Kaiser Permanente. I enjoy investigating information and knowing that data in HIM is the foundation and future for validating health information and protecting such information for the longitudinal life of Health Information. The HIM community is connected in a broad spectrum of learning and career enrichment. It has been rewarding volunteering with SDHIA and I will continue in some capacity or another. Thank You for your support!

### For SDHIA Secretary - Khanh Shafer, MA, RHIA, CCS, CHDA, CPHI

I am currently working as a Project Manager at the Corporate Compliance Department of Sharp HealthCare. I chose Health Information Management (HIM) career path simply because of the career opportunities offered. I have always been embraced by HIM and all its members. Therefore, it is important for me to give back. I have volunteered to serve in a couple of positions at the local HIM Association (SDHIA) and I truly enjoy doing it. Volunteering allows me to meet and learn from many wonderful professionals in the field. Beside my work, I love spending time with my family and pets.

## For SDHIA Delegate to CHIA House of Delegates – Holly Jagielinski, RHIA, MPH

Holly Jagielinski holds a Bachelor of Science degree from Loma Linda University in Health Information Administration and a Master of Public Health from San Diego State University and is credentialed as a Registered Health Information Administrator. Holly has worked as a supervisor of Health information for both outpatient and acute care facilities and has been working in education for the last 7 years. Her current role is a full-time tenure track faculty member at San Diego Mesa College in both the Health Information Technology associates program as well as the Health Information Management bachelor's program. Holly is currently a member of the California Health Information Association (CHIA) Academics Committee.
