Educational Workshop

FY2020 ICD-10-CM/PCS Update Highlights

- Date:** Saturday, September 28, 2019
- Time:** 9:30 am – 12:00 pm
Event Check-in begins at 9:00am
- Location:** Garfield Medical Center
605 Garfield Avenue
In-Service Classroom 2nd Floor
Monterey Park, CA 91754

Description: If you are a coder, coding manager/supervisor or HIM director, you will not want to miss this event! This session will review the highlights of the FY2020 ICD-10-CM/PCS Coding Updates which take effect October 1, 2019. At the conclusion of this workshop, you will be prepared to report back to your colleagues the FY20 coding updates and impact to your organization.

About the Speaker: Arlene Lasmarias, CCS, has extensive experience as an HIM Consultant and a contract coding manager in the acute care setting. She has been with Healthcare Cost Solutions for 20 years where she is a Senior Coding Compliance Auditor serving health care systems nationwide.

Miscellaneous Information:

- Event Check-in and Onsite Registration begins at 9:30 am
