Last Month's Review

Thank you for everyone who attended the February 13th GOCHIA Event for Patient-Driven Payment Model (PDPM) in-person and through Skype!

Patient-Driven Payment Model (PDPM)

On February 13th, 2020 we were very fortunate to welcome Rhonda Anderson, RHIA. GOCHIA wants to thank you for an in-depth look at the Patient Driven Payment Model (PDPM). This educational event was provided with our long-term care professionals in mind. Rhonda presented the monetary impact of Change System processes and focused on the administrative roles in regard to coding accuracy. She shared with us some tools that were developed to facilitate coding, CDI, and the capture of Performance Measures and QAPI.

STUDENT CORNER

Thank you to all the students who applied for the scholarship. We will be reviewing this month and will announce the two winners at the Recognition Dinner.
